DECISIONS AND RECOMMENDATIONS

The minutes of the September 6, 2001 and September 5, 2002 meeting will be approved at the next meeting.

The Legislature created the Occupational and Professional Licensing Sub-Committee to discuss combining boards and deleting boards. The number of ADRP licensees has gone from 29 to 50 in five years.

Ms. Haws indicated that Utah law is consistent with other states regulations. The examination does not reflect the understanding of ethical standings. Governor Leavitt has signed an Executive Order that all 57 state agencies start using ADR procedures in their Divisions. There was a Bill signed that allows patients and physicians to use arbitration rather than malpractice proceedings.

The Association for Conflict Resolution is an organization working on a national certification. The University of Utah is doing a study on a master's degree in conflict resolution.

MINUTES OF THE UTAH BOARD OF SOCIAL WORK
SEPTEMBER 5, 2002
PAGE 2

Mr. Jackson discussed the Sunrise and Sunset Committees of the Legislature. Mr. Jones discussed the public protection of revoking a license if necessary. A person who has their ADRP license revoked can still continue to practice, as this license is voluntary. ADRP is weak in both the title and practice act areas.

Ms. Haws discussed adding continuing education to the requirement. Mr. Jones discussed that all professions would like to add a continuing education requirement. Continuing Education must be mandated by statute. There is a cost involved in requiring continuing education. The Board members and the Division will have input to the Committee regarding deregulation.

UCCR could possibly write and administer an exam. Mr. Jones indicated that the first place to start is to have a meaningful education or experience requirement.

Ray Walker discussed the capacity of the Sunrise and Sunset Committee. Utah Code 63-55-103 addresses the criteria for sunrise or sunset of a profession. Utah 36-23-107 also addresses the criteria for sunrise or sunset of a profession.

Law and Rules Exam

Mr. Jones discussed how outdated the exam is. There is consideration to delete the current exam and possibly replace with another exam in the future.
